

TESTIMONY FOR SB 27

WED JAN 12 9am ROOM 422

SENATE BUSINESS, LABOR AND ECONOMIC AFFAIRS COMMITTEE

Good Morning, Mr Chairman and members of the Committee,

My name is Susannah White. I am a resident of Bozeman, Montana and a Licensed Acupuncturist. My practice includes acupuncture and Oriental herbal medicine. I received a Masters degree in Acupuncture and Oriental Medicine from the Oregon College of Oriental Medicine in 1994 and have been in private practice in Bozeman since 1997.

I am here to support Senate Bill 27 because licensed acupuncturists should have both voice and vote. I am prepared to pay a modest increase in licensing fees to cover an additional Board member. *I will be pleased to be represented and regulated by the Board of Medical Examiners.*

I thank the Board of Medical Examiners for supporting this bill and I hope you will also support Senate Bill 27.

Thank you.

Susannah White, LAc
